

LT-UVT-26A-3000

AT-UVT-000-0000

UHF Paper Label

The highly advanced UVT label allows vehicle recognition from a distance. The label is attached to the inner side of the windshield. The reader scans the label to determine if the user is certified to enter or leave the premises.

GENERAL DESCRIPTION

The UVT label is a small label that functions as an identifier. Using a reader, the vehicle is identified and the system responds accordingly.
